

**“Carmichael,
the Sea Cucumber Evocation” (trad.)**

**Carmichael! Carmichael!
Carmichael, the Sea Cucumber,
Wake ye from your slimy slumber now!
Slippy, drippy, slithery ray,
Carmichael, come out to play.
It’s Sea Cucumber day today!**

**Up from the bottom of the ocean,
Set yourself in locomotion.
Swim on up to Brier, hurray!
Carmichael, Oh Carmichael,
Forecast the weather cycle,
Six more weeks
And SeaScare’s on it’s way!**
